

WAYNE STATE UNIVERSITY PHYSICIAN GROUP CARDIOLOGY ECHO LAB

UNIVERSITY HEALTH CENTER
5A, 4201 ST ANTOINE DETROIT, MI 48201
PHONE (313) 745 – 2713 FAX (313) 993 - 0657

Dear WSUPG faculty members, fellows, residents and staff,

The Wayne State University Physician Group's Echocardiography laboratory has recently moved to ***suite 5A, University Health Center*** from Harper Professional Building, suite 804.

The lab is fully functional, and is accepting scheduled as well as walk-in patients, provided a referral is in place.

Our state of the art Echo lab is Intersocietal Accreditation Commission for Echocardiography (ICAEL) certified and provides the following services:

Transthoracic echo

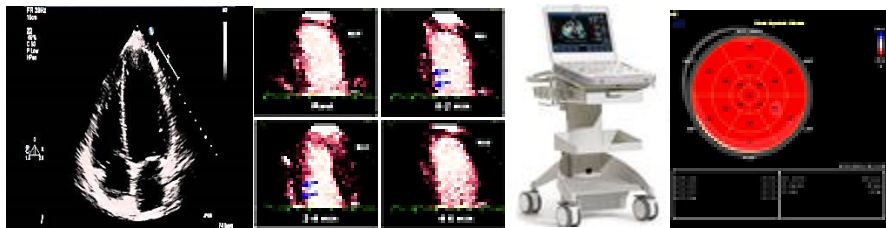

Contrast echo with Definity

Agitated saline (bubble study) for intracardiac shunts

Strain Imaging

Exercise treadmill stress testing

Stress and Dobutamine echocardiography

To schedule an appointment or for any questions, please contact:
